Dear Year 11 Parent/Carer,

**RE: Year 11 Curriculum Evening – 5:00pm Thursday 28<sup>th</sup> September**

Now that your child has started their Year 11 journey, it is crucial that you know what to expect during the build up to their GCSE exams. To this end, we plan to carry out a Year 11 curriculum evening. This is so that you can hear about the significant elements of Year 11 from us as well as ask any questions you may have. The evening will include key information regarding the following areas:

- **Exam coverage** as well as exam format
- **Mock exams**
- **Key events in the year**
- How you can **support** your child at home
- **Revision/home learning** resources
- **Post 16 pathway information**, including a chance to speak so representatives from some local colleges

This is a significant opportunity to support your child in understanding their path to exams and we hope you will be able to attend. While this is a free event, in order to secure your place, please visit the 'other payment items' of parent pay to book your place in advance. We look forward to seeing you at curriculum evening and should you have any questions, please do not hesitate to contact school.

Yours sincerely,

Mr M Barlow  
Assistant Headteacher
