

Parent Guide for Queensbridge School

A Parents' Guide to Getting Started with "Edulink One"

There are two ways to use Edulink One: through a web browser like Google Chrome or through an app you can download to use on your mobile device. The Edulink One app is available for iOS and Android devices.

Web Browser Instructions

This is your school's individual login link if you use a browser to log in.

Start by going to

<https://www.edulinkone.com/#!/login?code=queensbridge>

After clicking the link this will take you straight to the Edulink One login page for your school.

Here you will just need to enter your **username** and **password** to login. This will have been sent you by the school.

If you forget your username or password, please click reset login.

If you don't use the school's direct link above as, just visit <https://www.edulinkone.com/> then you will see the screen to the right, which requests your school ID as well as your username and password.

The **SCHOOL ID** is queensbridge

Your **username** and **password** which will have been sent out to you from the school.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

Downloading and Using the App

The Edulink One app is available for iOS and Android devices. You can download from these links or search in the App or Play stores.
