

'Your Career' Webinars

Business & Professional Services Webinar:

This webinar explored the benefits and rewards of careers in the Business and Professional Services sector, including business administration, finance and management roles amongst others and the opportunities currently available with local employers.

If you have recently been made redundant, at risk of redundancy or currently on furlough this online event is a great opportunity to get a real insight into the sector, the different roles available and how to apply.

Roles include Business Analyst, Community Engagement Manager, Project Accountant, Business Development Administrator and other similar roles.

Self Employment & Enterprise Webinar:

Tuesday 19 January, 2021 - 11:00 – 12:30

This webinar will explore the help and support available across the West Midlands for local residents who may be considering starting their own business.

Guest speakers will give advice and guidance on topics such as grant funding, patents, legislation and much more to help you take the next step. You will also have an opportunity to hear from people who have already started their own self-employment journey and giving an insight into their own experiences.
