Elevate Education

As you may recall, as part of our subscription, we were given access to an Elevate webinar for supporting your child with revision. This took place earlier this week and it was great to hear that some of our parents attended the online event. If you were unable to attend but would like to catch up, the recording is available on this link: [Parent Webinar Replay | UK \(elevatecoaching.info\)](https://elevatecoaching.info)

We hope you will find this a valuable resource.

Connect: Student Newsletter

Connect is our weekly pupil newsletter. It is emailed out to all pupils every Friday through their school gmail account and contains details on recognition, reading, careers, wellbeing along with any relevant notices for pupils for the forthcoming week. We would ask that you encourage your child to engage with the newsletter each week. It is a great way for pupils to stay connected to school life.
